

Olive Leaves

1975

I have now passed through
the winter of my life. Any
time now I may die, and I can
but trust in the goodness that I
have shown to my fellow
creatures, let me not defer
or neglect it for I shall
not pass this way again.

*Children of life are we, as
we stand with our lives
uncarved before us.*

S-P-I-R-I-T — That's what it takes!

Painting signs and inducing school spirit - that is what cheerleaders were made for. This year's cheerleading squad worked hard to rebuild the waning enthusiasm at Mount Olive College. The cheerleaders proved they could fill the bill by helping to promote pride in our school.

TAKE A WALK AROUND YOURSELF!

When you're criticizing others
And finding here and
there

A fault or two to speak of
Or a weakness you can tear:

When you're blaming
someone's meanness
Or accusing some of self—
It's time that you went out
To take a walk around
yourself.

There's a lot of human failures
In the average of us all,
And lots of grave shortcomings
In the short ones and the tall;
But when we think of evils
Men should lay upon the
shelves,
It's time we went out
To take a walk around our-
selves.

We need so often in this life
This balancing of scales,
This seeing how much in us
wins
And how much in us fails;
But before you judge another—
Just to lay him on the shelf—
It would be a splendid plan
To take a walk around
yourself.
